Who's Joe?

Joe was a cook, artist, and musician. Joe grew-up in the kitchen and honed his cooking skills under the guidance of family and friends, specializing in Central European and Mediterranean cuisine. Joe's Garlic Sauce was "Joe's Secret Sauce" and we've used it as a family staple for decades. Joe passed away in 2013 but IMGK is his legacy and we hope Joe's Garlic Sauce and forthcoming products will be a valuable addition to your store.
